## DAIMUL 60

Daimul 60 is a solvent free, 60% active emulsion of 350 cs. polydimethyl siloxane. Daimul 60 provides an economical, easy and convenient way to use silicones in aqueous systems, even when high dilution stability is required. Daimul 60 is inert, will not cause discoloration during the manufacturing process and is highly effective when used at very low concentrations.

### CHARACTERISTICS

- Easily diluted
- Minimal agitation required to form a stable emulsion
- Imparts excellent gloss and slip

### APPLICATION

Daimul 60 can be used as a general-purpose release aid in molding, extrusion, and casting of a variety of materials such as rubber, plastics and metals. Other applications include leather, glass and vinyl cleaners, polish formulations, textile softeners, fiber lubricants, foundry release aids, aerosol sprays, and, as printing release agents.

### FORMULATION

Daimul 60 can be diluted with water by slowly adding water to the emulsion with mild agitation. Prepared dilutions of 0.5% to 3% solids are recommended.

### PACKAGING

DAIMUL 60 is available in 8 oz. samples and 450-lb drums.

### TYPICAL PROPERTIES

Appearance:	Milky white emulsion
Ionic Characteristic:	Nonionic
Solid Content:	60%
Solvent:	Dispersible in water
Specific Gravity (@25°C):	0.988

## DAIMUL 60

### Section I Product Identity

Product Name	DAIMUL 60
Chemical Name/Family	Polysiloxane Emulsion
CAS Registry	Mixture
24 Hour Emergency Number	800-424-9300
24 Hour Chemtrec Number	800-424-9300
All ingredients are listed in EPA's TSCA list of chemical substances	

### Section II Hazardous Components/Composition Information

CHEMICAL :	CAS #:	USOS:	TWA:	STEL:	PERCENT:
None					

### Section III Physical and Chemical Properties

Boiling Point	>212°F
Specific Gravity	0.985
Vapor Pressure	<20
Vapor Density (Air=1)	>1.0
Percent Volatile by Weight	NA
Evaporation Rate (BuAc=1)	<1.0
Solubility in Water	Emulsion
Appearance and Odor	Milky-white emulsion, odorless

### Section IV Fire and Explosion Hazard Data

Flash Point (Method Used)	ND
Flammable Limits in Air (% By Volume)	ND
Extinguishing Media	Water spray, Foam, Dry chemical, CO <sub>2</sub>
Special Fire Fighting Procedures:	Evacuate personnel to a safe area. Wear self-contained breathing apparatus. Wear full protective equipment
Unusual Fire and Explosion Hazard	None

### Section V Reactivity Data

Stability	Stable
Conditions to Avoid	Store in a well-ventilated place at temperatures below 120°F. Keep container tightly closed. Keep from freezing.
Incompatibilities	Avoid contact with strong oxidizing agents and acids. Aluminum at high temperatures.
Hazardous Decomposition or By Products	Combustion may produce CO <sub>2</sub> , CO and nitrous oxides.
Hazardous Polymerization	May Not Occur

---

## Section VI Health hazard Data

---

Primary Routes of Entry	Inhalation: No	Dermal: Yes	Ingestion: Yes
Acute Health hazard	No information available		
Chronic Health Hazard	No information available		
Carcinogenicity	This product does not contain any suspected human carcinogens.		
NTP: No	IARC Monograph: No	OSHA Regulated: No	

### Signs and Symptoms of Exposure:

Skin Contact	Prolonged and repeated contact with skin can cause defatting and drying of the skin resulting in skin irritation and dermatitis.
Eye Contact	Preexisting eye, skin and respiratory disorders may be aggravated by exposure to this product.
Ingestion	Although ingestion is unlikely, liquid would irritate upper digestive tract if swallowed.
Inhalation	No information available.

### Medical Condition Generally Aggravated by Exposure

No information available

### Emergency First Aid Procedures

Eyes	Immediately flush eyes with plenty of water. Seek medical attention.
Skin	Immediately wash skin with soap and water. Wash contaminated clothing before reuse.
Ingestion	Do not induce vomiting. Never give anything by mouth to an unconscious person. Call a physician.
Inhalation	Immediately remove to fresh air. If not breathing give artificial respiration. If breathing is difficult, give oxygen. Please note: Symptoms may be delayed; prompt medical attention may be required. Call a physician.

---

## Section VII Precautions for Safe Handling and Use

---

Steps to be Taken in Case the Material is Released or Spilled:

Soak up with sawdust, sand, oil dry or other absorbent material.

Waste Disposal Method:

Dispose of according to EPA, State and Local regulations.

---

## Section VIII Special Precautions

---

Precautions to be Taken in Handling and Storage:

Store in a well-ventilated place at temperatures below 120 F. Keep container tightly closed. Keep from freezing.

## Section IX Control Measures

Respiratory Protection		
Ventilation	Local exhaust	Not required
	Mechanical	
	Special	
	Other	
Eye Protection	Safety glasses should be worn	
Protective Gloves	Rubber or plastic gloves should be worn	
Protective Clothing	Rubber apron	
Other Protective Equipment	NIOSH approved respirator as needed	
Other Precautions	Wash hands after use.	

## Section X SARA Title III

### SECTION 313 SUPPLIER NOTIFICATION

This product contains the following toxic chemicals subject to the reporting requirements of SECTION 331 of the EMERGENCY PLANNING AND COMMUNITY RIGHT-TO-KNOW ACT OF 1986 and of 40 CFR 371

CAS #	Chemical Name	Percent by Weight

THIS INFORMATION MUST BE INCLUDED IN ALL MSDS'S THAT ARE COPIED AND DISTRIBUTED FOR THIS MATERIAL

## Section XI Transportation Information

### SHIPPING INFORMATION

Daimul 60 is considered not hazardous and is not regulated by DOT.

### Hazard Ratings

Health	1
Flammability	1
Reactivity	0

THE INFORMATION AND RECOMMENDATIONS HEREIN, ARE TO THE BEST OF OUR KNOWLEDGE, TRUE AND ACCURATE. NO WARRANTY, EXPRESS OR IMPLIED, IS MADE OR INTENDED.

TO THE CUSTOMERS OF ADVANCED POLYMER, INC.

All statements, technical information and recommendations contained herein are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties, express or implied:

Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss of damage, direct, or consequential arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use. The user assumes all risk and liability whatsoever in connection therewith.

No statement or recommendation contained herein shall have any force or effect unless in an agreement signed by officers of seller and manufacturer. Since the manufacturer of the product described in this technical data sheet has no means of controlling the final use of the product by the consumer for the user, it is the responsibility of the immediate purchaser and any intermediate seller or sellers to inform the user of the purposes for which the product may be fit and suitable and of the properties of the product, including the precautionary measures which must be taken in order to ensure the safety of the user and of other third persons and property.

No statement made herein shall be taken as an authorization or inducement to practice any patented invention without appropriate license.
