

API-WP30C

Section 1. Product and Company Identification

Product Name: **API-WP30C**
Chemical Name/Family: Water Repellent Emulsion
CAS No.: Mixture
Product Use: Water Repellent Additive
Restrictions: For Industrial Use Only
Company: Advanced Polymer, Inc.
Address: 400 Paterson Plank Road Carlstadt, NJ 07072 U.S.A.
Telephone: 201-933-0600
Fax: 201-933-8442
24 Hour Emergency Number 800-424-9300
24 Hour Chemtrec Number 800-424-9300

Section 2. Hazards Identification

GHS Classification:

Physical Hazards

Flammable Liquids Not Classified

Health Hazards

Oral Toxicity Not Classified

Eye Irritation Not Classified

Skin Irritation Not Classified

Respiratory Sensitization Not Classified

Environmental Hazards

Hazardous to the aquatic environment, chronic toxicity Not Classified

GHS Label:

Symbol: **None**

Signal Word: **None**

Hazard Classification:

Hazard Statement: **None**

Precautionary Statement:

Prevention: **None**

Response: **None**

Storage: **No storage statement required under GHS however refer to Section 7 for current storage conditions.**

Disposal: **No disposal statement required under GHS however refer to Section 13 for current disposal considerations.**

Section 3. Hazardous Composition/Information on Ingredients

Ingredients	CAS No.	Percent

Section 4. First Aid Measures

Skin Contact:	Wash affected areas with plenty of water and soap for several minutes. Call a physician if irritation develops.
Eye Contact:	First rinse eyes with water. Remove any contact lenses, and continue washing with running water for at least 15 minutes. Call a physician if irritation develops.
Inhalation:	If inhaled, remove the affected individual immediately to fresh air. Call a physician if respiratory irritation develops or if breathing becomes difficult.
Ingestion:	Rinse mouth. If symptoms persist, call a physician. Do not induce vomiting unless directed to do so by medical personnel. Do not give anything to an unconscious or convulsing person.

Section 5. Firefighting Measures

Fire and Explosion Hazard:	Hazardous decomposition products formed under fire conditions. Hazardous combustion products: Carbon dioxide, carbon monoxide and other hazardous decomposition products may be formed.
Fire Extinguishing Media:	Use alcohol-resistant foam, dry chemical, carbon dioxide, or water in large amounts for surrounding fire.
Unsuitable Extinguishing Media:	None
Thermal Decomposition:	To avoid thermal decomposition, do not overheat. Thermal decomposition can lead to release of irritating gases and vapors.
Special Fire Fighting Information:	Evacuate personnel to safe areas. Wear self-contained breathing apparatus and appropriate full protective equipment. Move containers from area of the fire if this can be done without risk. Cool fire-exposed containers with water. Do not allow run-off from fire-fighting to enter drains or water courses.

Section 6. Accidental Release Measures

Personal Precautions:	Evacuate personnel to safe area. Ensure cleanup is done only by trained personnel. Material can create slippery conditions.
Protective Equipment:	Wear personal protective equipment. Ventilate area.
Environmental Precautions:	Do not discharge to streams, ponds, lakes or sewers. Avoid subsoil penetration.
Methods and Materials for Containment and Cleaning up:	Soak up with sawdust, sand, oil dry or other absorbent material. Pick up and transfer to properly labelled containers.

Section 7. Handling and Storage

Handling Conditions:	Avoid contact with skin, eyes and clothing. Do not breathe vapors, mist or gas. Wash hands thoroughly after handling. Do not spray near open flame or heated surface. **Agitate thoroughly before use** Do not subject to high shear.
Storage Conditions:	Keep container tightly closed in a dry, cool and well-ventilated place. Keep away from heat, and sunlight. **** Protect from freezing. One freeze/thaw cycle could produce an unstable product. Agitate API-WP30C using low shear mixing prior to use. Do not add API-WP30C to

systems with pH lower than 8.0 ****

*** WARNING - PROTECT FROM FREEZING***

In the cold months, a freeze indicator is attached to this shipment (one indicator per pallet). If the bulb on the indicator is not clear, this shipment was exposed to temperatures below 32°F (0°C). Perishable if frozen. If product is exposed, product quality testing should be performed before accepting the shipment.

Section 8. Exposure Control/Personal Protection

Exposure Limits:	None established
Appropriate engineering controls:	Good hygiene and safety practice such as showers, eyewash stations, and ventilation systems.
Personal protective equipment:	
Respiratory Protection:	NIOSH/MSHA approved respiratory protection should be worn once exposure limits are exceeded or where vaporizing occurs.
Hand Protection:	Wear protective gloves.
Eye Protection:	Wear safety glasses with side shields or goggles.
Skin and Body Protection:	Long sleeved clothing.
Hygiene Measures:	An eyewash and safety shower should be nearby and ready for use. Do not eat, drink or smoke while using this product. Wash contaminated clothing before reuse.

Section 9. Physical and Chemical Properties

Physical State:	Liquid
Color:	White Emulsion
Odor:	Slight
Odor Threshold:	N.D.
pH:	8.0 – 10.0
Specific Gravity (77°F):	1.00
% Volatile by Weight:	39.5 – 41.5
Melting Point:	N.D.
Freezing Point:	N.D.
Boiling point:	>100°C (>212°F)
Flash Point:	>93°C (200°F)
Evaporation Rate (BuAc=1):	N.D.
Flammability:	N.D.
Explosion Limits:	(lower) N/D, (upper) N/D
Vapor Pressure (mmHg):	N.D.
Vapor Density (Air=1):	N.D.
Solubility:	Dilutable
Viscosity:	N.D.
Thermal Decomposition Temperature:	>200°C (392°F)

Section 10. Stability and Reactivity

Chemical Stability:	Stable under normal temperature and pressure.
Hazardous Polymerization:	None
Conditions to Avoid:	Do not overheat to prevent from thermal decomposition. PROTECT FROM FREEZING.
Incompatible Materials:	None known.
Hazardous Decomposition Products:	In case of fire situation, carbon monoxide, carbon dioxide and other hazardous decomposition products may be formed.

Section 11. Toxicological Information

Primary Routes of Entry:

Eye:	No	Skin:	No	Inhalation:	No	Ingestion:	No
------	----	-------	----	-------------	----	------------	----

Potential Health Effects:

Inhalation	No information available
Ingestion:	No information available
Skin:	No information available
Eyes:	No information available
Acute Toxicity:	No information available
Chronic Toxicity:	No information available
Respiratory or Skin Sensitization:	No information available
Mutagenicity:	No information available

Carcinogenicity:

IARC:	No	NTP:	No	OSHA:	No
-------	----	------	----	-------	----

Section 12. Ecological Information

Ecotoxicity (Aquatic and Terrestrial):	No information available
Bioaccumulative Potential	No information available
Mobility in Soil:	No information available
PBT and vPvB Assessment:	No information available
Other Adverse Effects:	No information available

Section 13. Disposal Considerations

Product:	As in accordance with EPA, state and local regulations. Do not dump this product into sewers, on the ground or into any body of water.
Disposing of Contaminated Packaging:	Treat as unused product as above.

Section 14. Transport Information

API-WP30C is classified as non-hazardous and not regulated for transportation by DOT.

Section 15. Regulatory Information

International Inventories:	
TSCA (USA):	Listed

DSL (Canada):	Listed
ENCS (Japan)	Listed
EINECS (Europe):	Listed
IECSC (China):	Listed
KECL (Korea):	Listed
PICCS (Philippines):	Listed
AICS (Australia):	Listed
ERMA (New Zealand):	Listed
Taiwan	Not Listed

Federal Regulations:

SARA 313:	
SARA 311/312:	No information available.
SARA 302:	No information available.
Clean Water Act:	No information available.
Clean Water Act:	No information available.
Clean Air Act, Section 112 HAPs (See 40CFR61):	No information available.

State Regulations:

Massachusetts Right to Know Components:	No information available.
New Jersey Right to Know Components:	No information available.
Pennsylvania Right to Know Components:	No information available.
California Proposition 65:	None

Section 16. Other Information

WHMIS Classification:	No information available
HMIS Rating:	
Health Hazard	1
Flammability:	0
Physical Hazard:	0
Personal Protection Equipment:	X

 Date Revised December 28, 2016
 Revised By Advanced Polymer, Inc.

THE INFORMATION AND RECOMMENDATIONS HEREIN, ARE TO THE BEST OF OUR KNOWLEDGE, TRUE AND ACCURATE. NO WARRANTY, EXPRESS OR IMPLIED, IS MADE OR INTENDED.

TO THE CUSTOMERS OF ADVANCED POLYMER, INC.

All statements, technical information and recommendations contained herein are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties, express or implied:

Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss of damage, direct, or consequential arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use. The user assumes all risk and liability whatsoever in connection therewith.

No statement or recommendation contained herein shall have any force or effect unless in an agreement signed by officers of seller and manufacturer. Since the manufacturer of the product described in this technical data sheet has no means of controlling the final use of the product by the consumer for the user, it is the responsibility of the immediate purchaser and any intermediate seller or sellers to inform the user of the purposes for which the product may be fit and suitable and of the properties of the product, including the precautionary measures which must be taken in order to ensure the safety of the user and of other third persons and property.

No statement made herein shall be taken as an authorization or inducement to practice any patented invention without appropriate license.
